Hi Ghazwa, Thanks for coming to New York to present your PD. Enclosed is the survey we received from the group. Another source of data. Please let me know who much you need to be reimburse for travel expenses. Also please send me your address so that I can write the thank you letter. Hope all is well and that your summer has been productive so far.

I will try to have the video processed soon.

Best,
Wesley

Hi Doug and Ghazwaa, On behalf of the student and the program I want to thank you for coming all the way to New York to share your workshop with us. All the participant s were very excited and responded very positively. I will work on the paper work to get you reimbursed. I will also copy the video and send it to you. After you have completed the MCE program I have some publication and national presentation ideas I would like to run by both of you. Let's keep in touch. Best, Wesley
